

Dear Legacy Project Members,

The Legacy Project is celebrating the end of our eleventh year and upcoming twelfth year at our much-anticipated Annual Conference in May!

At the conference, our members must approve a slate of candidates for the Board of Directors. To continue fulfilling our mission of *Advancing Women in Local Government* by sharing knowledge and expertise, mentoring women in local government, and diversifying the profession to encourage greater minority involvement, we need a committed Board to lead the way.

The Legacy Project Nominating Committee is now accepting nominations for **three Director At-Large** positions. The term for Director is two years. Anyone interested in being nominated should send a letter of interest and a current resume to the Nominating Committee via the email contact information listed below. The letter of interest should indicate why you want to be on the Board and what you can bring to the Board.

Currently, the Board of Directors typically meets every other month on the second Thursday from 9:30 a.m. to 11 a.m. via Zoom. The Board has a history of strictly adhering to this time limit. Board members are asked to co-chair a committee, which include the Communications Committee, Professional Development Committee, Conference Committee, Membership Committee, and Outreach and Networking Committee. To learn more about these committees, please visit our website at [www.legacyprojectnow.org/committees](http://www.legacyprojectnow.org/committees).

Bring your energy and expertise to the Board of Directors by **submitting a letter of interest** to the Nominating Committee by **March 31, 2023 – 5:00 p.m.** to **[legacyprojectnowboardnominee@gmail.com](mailto:legacyprojectnowboardnominee@gmail.com)**
